2022 International Conference for Global Cooperation in Traditional Medicine

Nov.1(Tue) - Nov.2(Wed)

Novotel Ambassador Seoul Dongdaemun

INVITATION

NIKOM(National Institute for Korean Medicine Development) gladly welcomes you to the "2022 International Conference for Global Cooperation in Traditional Medicine" which is scheduled to be held on 1-2 November 2022.

This Conference will be hosted by the Ministry of Health and Welfare(MoHW), organized by NIKOM, and supported by The Society of Korean Medicine(SKOM).

Based on the success of the 2021 conference, this year will be a hybrid conference that take place in Novotel Ambassador Seoul Dongdaemun hotel in person and also be broadcast online through the official website.

How to incorporate Traditional and Complementary Medicine(T&CM) in the primary health care system is a prominent issue, especially in the era of post-pandemic. Throughout the conference, we will discuss how T&CM will improve the health of the world's population and what role it will play in the New- Normal era.

We look forward to meeting you soon!
